

CPCI Active Membership Expression of Interest Form

Steps to becoming a CPCI Active Member:

1. The following “expression of interest” form must be filled out by all manufacturing companies who wish to apply for Active membership with CPCI.
2. The expression of interest form is reviewed by the CPCI Officers,
3. If the expression of interest is deemed acceptable by the CPCI Officers, prospective members will be provided with an Active member application form. The application form is completed with payment submitted and the prospective member is presented to the CPCI Board of Directors for consideration at their next meeting. The CPCI Board of Directors meets three times throughout the year; in the winter, summer and fall.
4. The CPCI Board of Directors has undisputed rights to accept or decline this application

Overview of CPCI:

The overall purpose of CPCI is to stimulate and advance the common interests and general welfare of the structural precast/prestressed concrete industry, the architectural precast concrete industry, and the specialty precast concrete industry. As outlined in our bylaws, the purposes are defined as follows:

- To develop, fund and implement a comprehensive, ongoing marketing program to increase the demand for and use of architectural, specialty and structural precast prestressed concrete produced in Canada;
- To collect and disseminate knowledge, statistics, ideas and information relating to design, manufacture and use of precast concrete and prestressed concrete;
- To advance precast concrete and prestressed concrete acceptance and use, through investigations and research relative to new applications of precast concrete and prestressed concrete and engineering processes for improvement of the design, manufacture, and use of precast concrete and prestressed concrete;
- To establish industry-wide standards of design and production of precast concrete and prestressed concrete, to improve quality and design of product;
- To perform all lawful and desirable activities within Canada and elsewhere, to promote the efficient, constructive, and beneficial operation of the structural, architectural and specialty precast concrete industry.

CPCI Active Membership Expression of Interest Form

1. In 500 words or less, describe your company’s precast/prestressed concrete manufacturing experience as it relates to the purposes outlined above:

2. Describe *your* company’s activities as they relate to each of CPCI’s strategic goals outlined below:

GOAL 1: SIGNIFICANTLY INCREASE THE AWARENESS AND UNDERSTANDING OF THE ADVANTAGES OF PRECAST CONCRETE PRODUCTS, SERVICES AND SYSTEMS.

GOAL 2: INFLUENCE CODES AND REGULATIONS TO POSITIVELY REFLECT THE ADVANTAGES OF PRECAST CONCRETE PRODUCTS, SERVICES AND SYSTEMS.

GOAL 3: ADDRESS THE ENVIRONMENTAL DEMANDS ON PRECAST PRODUCTS AND SYSTEMS.

GOAL 4: SUPPORT INNOVATION. IDENTIFY AND RESPOND TO EMERGING MARKETS ON AN INDUSTRY BASIS.

CPCI Active Membership Expression of Interest Form

3. What concrete products listed below, represented by CPCI, do you currently manufacture?

CSA A23.4 – Section 4.1 Categories	PCI MNL 116 & 117 Categories
(a) precast concrete products - architectural	Group A - Architectural Products
(i) non-prestressed	AT - Architectural Trim Units A1 - Architectural Products
(ii) prestressed	A1 - Architectural Products
(b) precast concrete products - structural	Group B – Bridges
(i) non-prestressed	B1 - Precast Bridge Products BA1 - Bridge Products with an Architectural Finish
(ii) prestressed	B2 - Prestressed Miscellaneous Bridge Products B3 - Prestressed Straight Strand Bridge Members B4 - Prestressed Deflected Strand Bridge Members BA2, BA3, BA4 - Bridge Products with an Architectural Finish
(b) precast concrete products - structural	Group C - Commercial (Structural)
(i) non-prestressed	C1 - Precast Concrete Products CA1 - Commercial Products with an Architectural Finish
(ii) prestressed	C3 - Prestressed Straight Strand Structural Members C4 - Prestressed Deflected Strand Structural Members CA3, CA4 - Commercial Products with an Architectural Finish
(c) precast concrete products - specialty	Group C - Commercial (Structural) Group S
(i) non-prestressed	C2 - Repetitive Products S – Standard Products CA2 - Commercial Products with an Architectural Finish
(ii) prestressed	C2 - Prestressed Hollow Core and Repetitive Products CA2 - Commercial Products with an Architectural Finish

4. If you are not currently manufacturing products represented by CPCI, what products do you intend to manufacture in the future, and what is your expected date of manufacture?

5. Provide at least three references who we may contact to verify your company information or activities. These should be clients (two minimum) and suppliers to your company:

Reference 1:

Name:	Title:
Company Name:	Phone:
Address:	Email:

CPCI Active Member Dues Schedule:

Annual Dues are determined using the table below and do not include the marketing fee of \$2,625 per producing plant that must be included in your calculation:

Sales Volume (previous year, all plants)	Annual Dues Schedule
V = \$0 to \$3,341,837	Dues = \$3,250
V = \$3,341,837 to \$20,000,000	Dues = \$3,250 + 0.00196(V - \$3,341,837)
V = \$20,000,000 and above	Dues = \$35,900 + 0.00074(V - \$20,000,000)

V = last fiscal year's gross dollar volume of precast concrete products and services delivered and installed.

Thank you for your interest in becoming an active member of CPCI.
