CPCI Fifth Edition Design Manual Errata **5-02 – 11-27-17**

November 27, 2017

Addendum to Pages 7-35

Figure 7.28. Page 7-35. This is a further addendum to Addendum # 5-01. The drawings have changed to include wider web, and flanges (top and bottom) increased by 10 mm. This is consistent with the section properties presented on the same page, which are unchanged. Revised drawings below, which have also been changed in the full PDF manual download.
